Dear Club,

My girlfriend, Sam, and I were having a dirty weekend in Dublin last month. We had a great time going round the usual tourist spots, drinking in some of the lovely pubs and, of course, doing a good deal of hard fucking in between! Sam had brought with her plenty of sexy underwear and I had my camcorder with me, so you can imagine what we were going to get up to. We didn't realise that things would end up getting even steamier than we could possibly hope for.

On our first night we went out for a couple of Guinnesses and then a nice meal in a posh restaurant. When we were almost finished Sam dropped her serviette on the floor.

"You couldn't pick that up for me, could you?" she smiled. Sensing there was another reason for her doing this, I ducked down under the table to pick it up. I grabbed it and glanced upwards – Sam had spread her legs and was showing me she had no underwear on! She was wearing black hold-ups and that was it – her beautiful pink pussy was fully on display in front of my eyes.

I came up for air and suggested we get the bill, but of course since I now had a massive hard-on it was some while before I could get up from the table. Barely twenty minutes later we were in our hotel room. I had stripped off completely and Sam was down to her sexy black underwear, still with no panties, of course. She lay back on the bed, clad only in stockings and basque-like

top. She spread her legs wide and inserted a finger into her glistening pussy, and sent me wilder still when she suggested we film ourselves fucking.

I didn't need to be asked twice and soon had the camcorder out, gliding it all over her body, taking in her sweet breasts, which she had popped out of the basque, her long, slim legs and ending up on her succulent pussy, which she helpfully gently opened up with her fingers, throwing her head back in ecstasy. My cock was soon sliding in and out of her tight cunt hole, with the camera happily recording every moment of our sensual pleasure. It was such an incredible turn-on to be fucking and filming at the same time. It wasn't long before I felt I was ready to come so Sam removed my prick from inside her and insisted I spunk on her beautiful alabaster

“....spread-legged, stroking her engorged pussy and rubbing her poker-hot clit.”

tits. With the camcorder still humming away, I shot several jets of hot come all over my sexy girlfriend, somehow managing to capture it all on film despite my shaking hands. I collapsed on top of her and putting the camera to one side licked most of my come off her tits and immediately French-kissed her to deposit it in her wet and willing mouth. Needless to say it wasn't very long before we were fucking again. In fact, I think we did it about four times throughout the night.

So when the next morning arrived we naturally slept in till very late. After stirring about 11, we made love once again and I slipped into the shower. What happened next was told to me by Sam a little later on. Apparently after I gone into the bathroom she had lain on top of the bed, still fully naked and spread-legged, stroking her engorged pussy and rubbing her poker-hot clit. She hadn't come when we'd fucked so was still really horny. As she lay there groaning with pleasure she hadn't heard a knock at the door and, when there was no response, the maid come into the room to clean it! Sam had had her eyes tightly shut as she jammed her fingers into her cunt but then suddenly sensed someone was watching

her. She looked up to see a nervous looking petite brunette cleaner just standing watching her in fascination. Sam was speechless for a few seconds, and the cleaner suddenly said, "Och, I'm so sorry, I'll come back later...", but Sam, sort of composing herself said, "No, no, don't worry... go on cleaning if you want, I don't mind."

When she told me this later it made the scene sound even hornier, that she hadn't straight away said something like "lick my pussy" but just acted quite naturally. If the maid hadn't then broadly smiled and started to lightly dust a picture – while still looking at Sam's gorgeous naked body – then Sam might have got shy, but she didn't and continued to lie there rubbing her pussy while tweaking her nipples. She kept fixed eye contact with the maid who was by now using her hand without the duster in to rub her own pubic mound through her dress.

This is about where I came back in. After my shower I walked back into the bedroom, stark naked and sporting another large erection, as I'd been thinking about all we'd been doing recently, when I saw the incredible scene before me.

The maid looked a little shocked and embarrassed but Sam immediately took control: "Don't worry darling," she said to me,

“Tonguing at each other’s slippery pussies, sucking at their tits...”

nearly hairless, both soaking and red hot. I glided my digits in and out and looked down at my cock which was towering above these lovely babes, totally on fire with excitement, more swollen than I’d ever seen it. It wasn’t long before a hand reached for it – two hands in fact, one Mary’s, grasping for my sticky bell-end, and Sam’s, gently grabbing and rubbing my balls. Then I had the idea of getting the camcorder – how could I not? Neither Sam or Maria objected so I shot realms of red-hot footage: Sam and Maria in 69 position, tonguing at each other’s slippery pussies, sucking at their tits, fingering their clits, and after I’d joined in, my prick being hungrily

“our young friend here was just telling me what a beautiful pussy I have. Weren’t you?” Our new friend grinned and said something along the lines of “Yes, you’re lovely, now it’s time to see me.” And before I could faint in excitement, she pulled her uniform off followed by her tights and black panties – she hadn’t actually been wearing a bra, and her tits were huge. She also possessed a fantastically hairy fanny, a real black thatch in complete contrast to my Sam’s neatly trimmed blonde bush. She climbed on the bed and lay next to my naked girlfriend and said, “I’m Mary, by the way.” Sam grinned and gave her a wet kiss and started exploring her body with her eyes and hands. I knelt on the bed over these two visions of gorgeousness and asked them both to spread their legs. They did and, moving forward slightly, I put two fingers up each snatch at the same time, one hairy, one

swallowed by Mary and then fucked by Sam as Mary licked Sam’s cunt and asshole as I did so. It really was the most amazing experience ever. By the time I finally came we’d tried just about every combination possible, and the way the two girls lapped up my spunk will remain with me till my dying day – and the best thing is we have it all on film! So the next time Sam asks if we can bring out the Dublin holiday video, I know exactly how the evening will go...
Howie, Midlands.

Sounds like our kind of parties, any chance of an invite?

"Well, that depends on how much fun you are today."

Now there's a challenge and a half, but we're going to run the gauntlet and pray we pass with flying colours!

TOTAL RECALL

Dear Total Recall,
I've been thinking about writing into yourselves for some time about a very tatty copy of Club Vol.33 No.09 I still have lurking in the back of my wardrobe. I'm not prone to keeping old porn mags but there is a reason I have clung to this one for nearly fourteen years, and that reason is Jenny, pure and simple. What a stunning girl she is and that pic where she's got a fag on really does haunt my dreams. I would love it if you could pop Jenny in your Total Recall section, as I feel she deserves another show.

Some girls are naturally outdoorsy, and there's nothing better to them than a lung full of fresh air and perhaps a little bit of nooky in the grass. Well, so Katy informs us, the little minx, as she stretches out in the shade, clad only in her bikini.

"I love days like this, lounging about outside. I'm definitely happiest when I'm perched outside watching the world go by. It's even better if I'm perched on somebody." Ooo, whatever do you mean Miss Jayne?

Kingsman: The Golden Circle

DVD £9.99 Blu-ray £14.99

We knew it was coming after watching Matthew Vaughn's first dive into the world of espionage with *Kingsman: The Secret Service*, where we saw Eggsy Unwin (Taron Egerton) shed his chavvy image and channel his inner 007, all under the watchful eye of Harry Hart (Colin Firth). So now that Eggsy is a fully fledged Kingsman, the cap dispensed with and the Savile Row suit tailored to fit, what's next for our undercover hero, who's already saved the world and has a Swedish Princess hanging off his arm, in Vaughn's next instalment of ultra-violent, smutty, spy thriller? Well, character development takes a back seat ride this time around, as Kingsman face a new threat from narcotics empire, *The Golden Circle*. The head of the narcotics empire is Poppy Adams, which sees Julianne Moore playing the cold-blooded supervillain; all kitted out with jungle lair and bionic-armed minion to help roll out her plan smoothly. With the destruction of a major arm of Kingsman under her belt, the good guys are forced to call on their American cousin's Statesmen, the whisky sloshing, incongruously varied characters played by Jeff Bridges, Pedro Pascal, Halle Berry and Channing Tatum. Slightly too long at two hours and twenty-one minutes, but still as exciting and thrilling as the first; a real James Bond on steroids, with gadgets galore.

IT

DVD £9.99, Blu-ray £14.99

Coulrophobe's beware, your in for a scare, as the remake of Stephen King's *IT*, starring the worlds most notorious clown Pennywise (Bill Skarsgård), is back to terrorise the town of Derry, Maine, and us. Argentinian director Andy Muschietti (*Mama*) draws heavily on 80's favourite *Poltergeist*, producing a creepy nostalgia that fans of *Stranger Things* will appreciate. The misfit school kids are still at the centre of this story, hauling us into their preadolescent world with all it's trials and tribulations, as part one relocates from the 50's to the 80's, as nightmarish realities strike our young heroes, feeding off their fears. Skarsgård is practically bursting out of Tim Currie's shoes with his sinister performance, as the killer clown is hunted down.

Flatliners

DVD £9.99, Blu-ray £14.99

Somebody had better warm up the defibrillator before this lot do themselves a mischief! Having said that life beyond the veil has fascinated civilisation for centuries, so when a brunch of medical students attempt to hover between the boundaries of life and death by stopping their hearts, it comes as no surprise that things start to go awry, and they become haunted by their past. A good cast, with Ellen Page leading the way into the dark. However, made as a sequel to the original 1990's film of the same title, this feels like more of a reboot than a sequel, which starts off strong, yet ends meekly. The original film had an interesting concept, but lacked the force of conviction, and this could have been a chance to build on that, but in this case a 'do not resuscitate' signed was needed.

Sphero R2-D2

www.sphero.com

Any Star Wars fan will dream of owning their own droid. Now thanks to Sphero you now can, with this fantastic replica model of R2-D2 that has captured all the characteristics of the little fellow; It beeps in its onscreen chatty manner, has a retractable third foot, can spin it's head and will roam where you map it too. Controlling R2 is done through the app Droids, which also lets you explore a range of Star Wars entertainment, including making your way around the Millennium Falcon. It's the little touches that really make this bot, like the blue, LED lights at the front and back of its head, promoting authenticity that will engage any fan. One of the best Star Wars toys on the market.

The Payment Ring

www.thepaymentring.com

£89.99

One Ring to rule them all, One Ring to find them, One Ring to bring them all, and in the futuristic digital enlightenment, pay for everything with ease. I think we might have to update Tolkien's verse if companies like Kerv, keep cracking out tech like The Payment Ring.

Tipping the balance in the contactless revolution with a world first, The Payment Ring is delivering the future right to our fingertips, or rather between the first and second finger joint. So what exactly is this bold vision in wearable tech offering? For starters, an elegantly designed hardy outer shell made from Zirconia ceramic, houses the internal engine of a shopper's wet dream, with the inner ring band made from hard, inert resin, which locks out water (bang goes the excuse for the washing up). Approved and under license from

Mastercard, this prepaid system is accepted anywhere in the world where standard Mastercard contactless is available; practically the entire earth really. So just like your debit and credit card, it can make contactless payments up to the current limit of £30. It sets the same security limits, with payment authorisation only possible if your hand is in the transmission ready position, a gently clenched fist (it's power to the people, not a boxing match). There's also no charging or pairing to be done, as The Payment Ring draws its power supply from the payment terminal, and connects directly to the Mastercard payment network. So simple a kitten could do it.

But what about loading and top up's I hear you say? Also a breeze, just like the rest of the Kerv activity. All

functions are accessible by registering for a Kerv Virtual Prepaid Mastercard account, where you can top up till your shopping basket is content.

With its sleek range of colours, we predict it will be the One Ring you'll be wanting to wear.

We've seen some incredible arses here at Club over the decades, and I'm not just talking about the Editors, either (*Hey! – Ed.*), but there aren't too many of them that can stack up to Flick Hill's magnificent derriere! So does she consider it her finest feature?

"I don't know – it's not very easy to appreciate your own arse, is it? I mean it's nice and comfortable when I sit on it, so I haven't really got any complaints!"

Well if you want to sit on it now, we've got the perfect spot ready...

Miss Cinn like all things your mother tells you to leave alone, is a heavenly creature that will disarm you with a smile. And if not, then one good look at these snaps will cause you tension below that certainly have you

charmed. Relaxing by the pool, Christina is busy soaking up the sun's rays, topping up her perfect tan, that shows as a pure bronze effect, next to our Milky Bar arms. What we wouldn't give for Christina and a tan like that too.

SCRUFF JUSTICE!

Cute Secretaries

Private

Starring: Lucette Nice, Alessandra Jane, Ella Hughes, Misha Cross, Carmel Anderson and Julia de Lucia.

Synopsis: "There is a reason office

romances are forbidden, but not at Private! Forget what you know about "office hot", our team of Cute Secretaries set the bar for beauty and temptation and they are ready to do whatever it takes to get a promotion. Our redhead firecracker Ella Hughes puts her legendary ass to work, showing her boss that she can handle even the biggest of tasks and the petite Misha Cross is back, showing off her hardcore talents in a DP threeway with Carmel Andersson. These seasoned veterans are joined by the not so innocent debutants Alessandra Janes and Lucette Nice, who show their boss they can run with the big dogs, putting their tight

asses to work with some delicious anal play. These girls exceed your wildest office fantasies, so call in sick and watch this corporate cock-fest!"
Courtesy of Private

Verdict: Ella Hughes is no stranger to the working office, after recently putting in a stint with Marc Dorcel in the metropolis, and it looks like her skills have transferred over easily in Disanto's Cute Secretaries. With the hots for her boss Marc boiling over, Ella doesn't throw off his advances,

and soon she's hopping on his cock, but not before wrapping her lips around it, as he gives her a creampie. Ryan Ryder plays the advancing boss who can't believe his luck as Alessandra Jane parts her luscious shaved lips for his waiting member and things get seriously saucy. A great watch for anyone who hasn't been able to get Steven Shainberg's The Secretary off their mind since 2002.

Star Wars: The Last Temptation XXX

Digital Playground

Starring: Adriana Chechik, Georgie Lyall, Lily Labeau, Antonio Black, Axel Aces, Erik Everhard, Tony De Sergio and Xander Corvus.

Synopsis: Is there anything sexier than the dark side? In order to complete her Jedi training, Rey must master her lust – and not just for power! When Kylo Ren bombards her mind with sex-soaked dreams, Rey knows she has to fuck him or destroy him, once and for all! But is this dirty Jedi mind trick all a trap? Or will Rey's first taste of RAW power drive her to the dicks of darkness?

Verdict: Here's another Star Wars parody from the ingenious bunch at Digital Playground and hot on the heels of the latest cinematic release that's gripping fans

around the world. Though it looks like Rey is gripping something on the dark side, as her fantasies get the better of her, and Xander Corvus gets his dick well and truly gobbled, as he thrusts eagerly into our young Jedi's mouth, and then splattering her face in appreciation. Back at the resistance Base Georgie Lyall is busy attending to a sick fighter Antonio Black, and it appears the only way to rouse him, is to arouse him. A bit of tit wanking rounds everything off before pops load all over Georgie's chin. But it's not just the boys having fun as some girl-girl get underway between Adriana Chechik and Lily Labeau. The force is with this XXX parody, which fans of any genre will enjoy.

Tina Kay might be new to Club International, but don't let that fool you into thinking she's a blushing innocent – she's been wowing fans in a series of filthy flicks for the last year or two. So what's the best part about her job...

"Are you crazy? All the cock and pussy I get to sample, of course! There's nothing better than getting fucked hard by someone who really knows what they're doing!" Hmm, well if you fancy a total contrast some time, do let me know.

Elizabeth Marx is certainly playing up to the lens as she slowly reveals the flock of birds in flight she has tattooed on her shoulder. Is there a reason behind your tattoo? "Well, the sky, like my skin was a

blank canvas and one day I just saw a group of birds in flight and new that was what I wanted on my shoulder." As Elizabeth starts to shower down, we can confirm it looks good both wet and dry, as does Miss Marx.

TO THE REAR

Up to a few years ago I felt a bit self-conscious about my figure. No problem with my 36F boobs, but I wasn't too sure about my bum. It isn't flabby, just fleshy and rounded, but it really sticks out, no matter what clothes I wear, especially if they're tight.

A couple of months ago, I was in a pub with friends when this Irish guy made a comment about my arse as I walked past him to the loo. I ignored him but when he did it again on the way back, I confronted him for getting so personal.

He didn't seem embarrassed, but said he was sorry if the phrase "big, gorgeous arse" – with the emphasis on the "gorgeous" – had offended me and would I have been as pissed off if he'd complimented my pretty face instead?

Trust me, not many blokes could have pulled off an excuse like that, but there was something about Aidan – the accent helped – that had me smiling back. He didn't steam in, but he kept up the banter throughout the night till I agreed to a date.

We went on several before anything happened – in the end, I was the one who decided a goodnight snog before I got a cab home wasn't enough. I told him he was coming back to mine and he said, "If you're sure...", although he looked pretty happy about it.

I'd worn a little black dress and got him to unzip the back of it, slowly. I unclipped my

bra and took it off, but Aidan kept unzipping, anticipation building in us both before he revealed the hot-pink satin thong I was wearing. It was slightly too small, so it was stretched tight against my caramel-coloured skin, and disappeared deep between my arse cheeks.

Aidan was trembling as he dropped down to place a kiss on each of them, and then he turned me around. We snogged and he gave my tits a bit of attention, but his hands were on my arse the first chance he got, squeezing, pulling them apart, sneaking his fingers in my crack till the tips touched the silky strip of my thong.

I thought he'd want to do me doggie style, but instead we ended up with him lying back and me naked on top, facing his feet. I teased him first, straddling his belly, grinding and mashing my arse against it as I wanked his dick and played with his balls. This got me horny as hell too – the juices were trickling out of my twat and soaking his skin, so I rose up and rubbed his helmet along my slit.

He was absolutely rigid, and finally he moaned that if I didn't want him cumming before he'd even slipped it in, I'd better fuck him right now. So I guided him to my opening then sunk down on him, squeezing tight as I pulled him inside me. Despite what he'd said about being on the edge, he lasted for ages, thrusting deep as I humped my pussy up and down against him. Now and again he'd fondle my arse, but he said later that he just liked lying back to watch it bounce and ripple as I rode him.

Finally, as I took him deep and gave his balls another massage, he stiffened from head to toe, then banged hard

into me, pulling me onto him by my thighs as his spunk spurted out deep inside me.

After he slid out, he had me lean forward, thrusting my arse back so he could watch the creamy juices run out of my pussy. He used his fingers to smear and rub them into my skin, keeping me on the boil, then he told me to back up.

Now I was sitting on his face, his tongue reaming my slit as he fucked me with two fingers. It wasn't long before I was cumming too, and he clamped his mouth over my pussy hole so he could taste it all. Every shudder of my orgasm sent a fresh wave out

"I guided him to my opening then sunk down on him, squeezing tight as I pulled him inside me."

and down his throat, and he didn't stop sucking till I was totally spent.

After that, we couldn't get enough of each other. We both like a night out so we went on more dates, but even so, we'd usually end up cutting them short so we could get each other into bed, or if Aidan picked me up at my place, we wouldn't even make it out the front door. The couple of times we didn't meet up because we needed to catch up on our sleep, he phoned me and asked me to play with my arse and pussy so he could wank off or he'd be awake all night!

I won't say all the fun was focused on my arse, but Aidan was never harder than when he was doing me from behind, or looking at or playing with it. So far, he'd only fucked me in my pussy, but then I'd feel his fingers creeping towards my arsehole, sometimes just rimming it, or maybe he'd use just the tip to tease it. Then one time, I wriggled back against him, encouraging him, and he slipped a finger right inside it.

He didn't ask anything more of me and I wondered did he want me to take the lead again, like the first time we'd fucked. There was only one way to find out.

The next time he came over to mine, he

I felt his cock pull out of my pussy and touch up against my even tighter hole..."

found my front door unlocked so he could let himself in. And I'd left a note in the middle of the hall carpet, telling him "Get naked, get hard, and join me in the bedroom."

I was almost fizzing with excitement when I heard him, and if he had to pause at all to wank himself fully stiff, it didn't take him long. He opened the door to find me naked and kneeling on the bed. I'd slathered lube all over my crack and slit and I had one hand working on my pussy, and a couple of fingers of the other one warming up my arse.

Aidan just moaned, "Fucking hell..." then got in behind me, giving me the usual kiss on both cheeks. I felt his cock brush up against them as he got into position, and I readied myself, splaying my legs slightly wider.

When I felt him slide balls-deep into my pussy, I almost came instantly from the feel of it, though I felt strangely disappointed that he'd chosen to fuck me there. But I kept playing with my arsehole, hoping he'd take the hint. Soon he moved my hand away and fingered around it, then dipped two inside it, gently swirling them, to relax and open me up.

"You sure you want it like this?" he asked, and I said yes, drawing in a breath as I felt his cock pull out of my pussy and touch up against my even tighter hole as his fingers came out of it. He scooped up a palmful of the lube and rubbed it over his shaft, then told me to push back against him and I did, feeling him press gently but firmly against my anal

opening. Then he said relax and as I did, his stiff prick inched inside me, slowly filling me up till I felt his pubes touch up against my crack.

At first he just stayed buried, letting me get used to the size of his cock up my arse. Then, slowly, he started to stir it around and as I moved against him, he began thrusting, shallow and easy at first, then building up till he was screwing me as hard and fast as he ever did in my pussy.

I was loving it. I usually came pretty quickly no matter how he fucked, licked or fingered me, but this was more intense than anything I'd felt before. He reached forward to cup my tits, trapping my nipples between his fingers, and I reached back to touch my clit.

I started cumming within seconds – it just sneaked up on me and everything else felt so full-on it took a moment before I realised what was happening and I felt my pussy flutter

around his prick. He carried on shagging me and I kept rubbing my clit and I suddenly realised what I'd felt was just a preview. Although my cunt was empty it seized up, then it felt like every muscle in my crotch and arse was cumming out of control, the warmth and pleasure spreading out till my entire body was glowing.

I slumped down, head resting on the pillow with my arse up in the air as Aidan neared his final few strokes, then he plunged in deep and I felt his cock jump inside me as he shot his load. My arse was flooded with his jizz and I shuddered again as he pulled out, and the warm wetness trickled down over my clit.

I don't want to hex things, but even though it's early days I feel like I've met my perfect match – sexually at least. And Aidan says he'd have a hell of a search to find another arse as sexy as mine. But I don't think he's going to go looking anytime soon, because I let him do whatever he likes to it, and I love it too...

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PERFECT HARMONY

I had to go to work in one of our branch offices in Kent for a while in a town I had never been to before. The job was OK but my spare time was boring. One evening, I saw an advert in the local paper inviting new members to join a Glee Club. As I always fancied myself as a bit of a singer, I went along to see what it was all about.

They were a very friendly bunch and I soon

fitted in and enjoyed the singing as well as the camaraderie over a couple of pints in the pub after rehearsals. That's how I got to know Jo, one of the sopranos. She was about my age, very attractive and recently divorced. We soon hit it off and after a couple of dates, I was invited back to her house for dinner and was still there for breakfast the next morning!

I was really knocked out the first time I saw her naked – a gorgeous figure, small, firm tits but with big nipples and areola – the sort that turn me on, a nice slim waist and a smooth, shaved cunt. She smiled at me as she saw the surprised look on my face when I saw her cunt as I had thought initially that she was rather prim but she told me that her husband used to shave it for her and that she had just continued the habit. We were soon down to the first of our many fuck sessions. She was

“Val was taking the full length of my cock down her throat...”

certainly enthusiastic and her favourite trick was to see how many different positions we could get into without me withdrawing my prick from her fanny before one of us came!

After one particularly energetic session, we were just leaning back relaxing when she

said that she had been wondering what it would be like to have someone else in our love play.

“I’ll put it to Val and David after rehearsal next Thursday to see if they would be interested,” she casually remarked.

Val was an old friend of Jo’s, so she had no trouble in getting them to agree, I’m glad to say, as Val was a peach that I had also been lusting over. We all met at Jo’s house the following Saturday. It all seemed a bit strange at first and I wondered how we could get started but after a couple of drinks, we began to relax. Jo was the first to get going. She put on some soft music and turned the lights down and did a fantastic strip routine, getting David and me to unclip or remove each garment. When she was naked, she teased us both by unzipping our flies and giving our cocks a gentle massage. Val stripped too and soon took over from Jo, giving me a blow-job. Then the girls slowly undressed us so that soon all four of us were naked and dying to fuck.

Val’s bush was so thick you couldn’t really see the lips of her cunt, but I was eager to bury my face in to see how she tasted. I didn’t have to wait long, as both couples were soon in the 69 position with me on top of Val and Jo on David. Val was taking the full length of my cock down her throat and I found her clit and was giving it a good sucking so that her cunt was soon juicy. Soon, David and I agreed that the girls were ready for a good fuck.

We swapped partners. Val lay on her back on the rug and David knelt down between her spread thighs. He raised her legs around his waist and slid his cock up her fanny with one smooth stroke and rocked back and forth with a slow rhythm. Jo knelt down on

“I was able to slip easily right into her dark passage without trouble.”

and pulled Jo's hips down so that she could nibble on her clit. By the look on Jo's face, I gathered she was in total ecstasy.

For a while, I stood there wanking slowly and enjoying the feast of action, when Jo said to me, with a moan, "Take me up the bum, fuck my arse, come on!"

I wondered why I hadn't thought of it myself but I had never shagged an arse before though I was more than willing to try! I knelt behind her and rubbed the pre-come that had been dribbling from my bell-end over my length and added some of Jo's fanny juices

to make a slippery cocktail. I rested my knob against Jo's sphincter and pressed forward gently. Jo responded by easing back a little so that I was able to slip easily right into her dark passage without trouble. For a few moments I rested there, savouring the intense pleasure of being up Jo's arse. Then I started thrusting in as deep as I could and soon had my whole length moving in and out of Jo's arsehole, keeping in time with David as he continued to fuck Val. At the top of each stroke, the smooth, soft cheeks of Jo's bum hit the tops of my thighs adding to that strange, intense

pleasure.

Suddenly, Val started to moan loudly. This set off Jo, who shouted at me to go faster and she soon joined Val in a shuddering orgasm. The quick strokes I had made finished me and, with a groan, I shot my load of spunk up Jo's rectum with the most sublime feeling of utter relief. At that moment, David couldn't hold out any longer, he pulled his prick out of Val's fanny and, with a cry, sprayed both Jo and Val with a fountain of jism.

The four of us had many other sessions together before I had to return to head office. We tried every combination we could think of and I shagged both Jo and Val in the cunt, arse and mouth. Ah, happy memories. I will never forget fucking Jo up her arse for the first time and I look forward to my next trip to Kent. –

Bob, Bath

TOTAL FILTH!

My friend Sheila is a real nympho and talks about sex all the time. Just the other day we were enjoying a few drinks which, as usual, made Sheila feel very affectionate. Suddenly she asked me if I'd ever had anal sex.

"Not often," I replied.

"I love it, Mandy," she replied, "there's

all-fours and I mounted her doggy style. In this position we could both watch the others in action. David had done a good job on Jo and her cunt was soft and wet and easy for me to penetrate right up to my balls.

Then Jo suggested that we should join the others. She went and straddled Val's face, so that Val got a full view of her dripping cunt, then she leant forwards, her tits swinging free, resting on her arms so that she could get a close look at David's prick in action. David realised what she was doing and started to withdraw his prick at the end of each stroke so that Jo could watch his knob disappear between Val's cunt lips as he entered her again. Val was making little grunts of pleasure on each thrust

nothing better than having my bum stuffed with a long, thick cock." She then looked at me with a dirty grin and said, "Would you like to watch me being bum-fucked by my boyfriend Alan?"

I found the idea really sexy and nodded eagerly.

Sheila told me to come to her flat that evening. "Wear something sexy, like rubber knickers. Alan loves rubber lingerie."

When I arrived, Sheila and Alan were already nearly naked and from the state of his prick and her cunt, they must have already been frigging themselves off. Alan's cock was huge. His foreskin was peeled back and his big knob glistened wetly. I stripped down to my black rubber knickers and he came over to feel my tits and bum. His cock grew really stiff and Sheila told me to give it a good suck to get it will lubricated. As I sucked, she got some juice from her cunt and smeared it between her buttocks. She bent over and I

back into her rectum. By now Sheila was masturbating furiously, her cunt making lovely wet noises as her fingers drew out her cunt fluid. Alan fucked faster, his balls slapping against Sheila's slit. I leaned down and fondled them, longing for the moment when he emptied them.

Sheila shouted, "Fill my bum with spunk!"

I came in my knickers, soaking the rubber. Alan gave one final thrust and grunted with pleasure as his sperm poured out into her bum. To my surprise and Sheila's delight, he went on pumping in and out and soon deposited another load of semen up her arse. His cock squelched in the slimy fluid, which was now oozing out over his balls. He slowly pulled his wet dick out of Sheila's anus, which remained open with a long strand hanging out of it.

Sheila said that she wanted to clean his cock with her tongue. "And you can suck his spunk from my bumhole." I got down and inhaled the aroma of her cunt juice and her well-fucked anus before gluing my lips to the orifice, seeking out gobs of semen with my tongue. I could hear Sheila licking Alan's cock, while I gradually emptied her rectum, savouring the taste. For good measure, I sucked on her cunt lips as well.

Later on, Sheila and I licked each other's cunts while Alan used my rubber knickers to wank yet another portion of semen from his cock. Next time Sheila wants to watch me being buggered so that she can suck Alan's spunk from my arsehole. *Mandy, Barrow-in-Furness.*

“He slowly pulled his wet dick out of Sheila's anus...”

watched her rub her fluid into the flesh of her brown anus, licking her fingers afterwards.

Alan was getting impatient, working his dick in and out of my mouth.

"Don't come," Sheila said, "I want your sperm up my bum." She knelt down and pulled her buttocks wide apart, straining her sphincter muscle to open her lovely anus. Alan withdrew his prick from my mouth, fondled my knickered arse again, then got into position behind Sheila, who was already moving her hips to and fro in a fucking movement.

Fascinated, I watched Alan push his glans into the gaping anal ring. Sheila moaned with lust as the full length of the rock-hard penis slowly penetrated her rectum until Alan's swollen balls pressed against her streaming cunt.

I began frigging my own slit through the crotch of my rubber knickers as Alan pulled his cock out and rammed it back into Sheila's anal sheath. With every stroke, her tits swayed sexily and I would have liked to suck her rigid nipples but I couldn't take my eyes off the bum fuck. Sheila's anal flesh was forced outwards as Alan almost withdrew his dick, then pushed inwards when he thrust

Wank off with your personal dirty girlfriend Text: 07441 915 094

After plumping up the cushions, Briony hops up onto the bed and lays herself out. "I've had a late couple of nights, and I really could just curl up right now like a cat." Interestingly she does remind me of a cat, a well-balanced feline, slinking her way towards you. We wouldn't mind stroking Briony's pussy, but alas, somethings must remain as fantasy.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Brain Waves

Over the years the number of people having near death experiences in pursuit of YouTube glory must be significant. One fine example of this saw emergency crews having to recuse a man who had cemented his head inside a microwave after a YouTube prank went horribly wrong. The joker in question Jay Swingler was attempting to make a mould of his head, when the Polyfilla mixture set faster than calculated, trapping the man. The Paramedics were called after 90 minutes when friends were unable to free the man, and having fed an air tube into his mouth to prevent suffocation.

It was a YouBoo!

Poly bust to dust!

Paramedics had to call in the Fire service, who spent over an hour trying to free the 22-year-old prankster from Wolverhampton who was lucky to be alive, and they weren't impressed.

Pump that...

That's a cracking weight!

Some muscles in your body definitely don't need to do any weight lifting, as one German gym had the unpleasurable experience of finding out. One gym pounder managed to get a very personal part of his body stuck inside a 2.5kg weight. Firefighters

spent three hours attempting to free the man's personage from the centre of the disc with a grinder and vibrating saw, later sharing a picture of the shattered weight on Facebook, and urging others "not imitate such actions." How or why the weight ended up wrapped around his manhood like the pastry on a sausage roll is still a mystery, but we think we can guess how it started.

Black Rider

Every so often you hear something that you thought could only happen in the movies or a Monty Python sketch, and this is one of those tales. A motorist filmed a body bag, departing company with a hearse at a busy junction in New Zealand. The shocked driver said, "I heard this noise, and the next thing you know I see the stretcher with the body on it flying through the intersection."

The stretcher was loaded back into the hearse form Davis Funerals, who commented that the body bag was empty, while further explaining that there's a cushion at the head end of the stretcher, and a metal bar at the foot end, which can give the appearance that there is a cadaver inside. A full investigation by the funeral home is in process.

Muster's funeral services!
